STATE OF NEW HAMPSHIRE TAX COMMISSION

Concord  
August 29, 1969

Board of Selectmen  
c/o William R. Potter, Chr.  
Charlestown, New Hampshire 03603

Gentlemen:

Your Summary Inventory of Property Valuation and Statement of Appropriations have been approved. You may proceed with the assessment of 1969 taxes on the basis of the following figures:

Net Assessed Valuation \$13,754,454.00

Taxes Committed to Collector:

Gross Property Taxes Assessed	\$ 632,704.88	
Less: Est. War Service Tax Credits	12,600.00	
Net Property Tax Commitment	\$ 620,104.88	
Poll Taxes	2,500.00	
National Bank Stock Taxes	300.00	
		\$ 622,904.88

Tax Rate 4.60

\* The amount of property tax commitment is subject to adjustment by reason of an increase or decrease in War Service Tax Credits which may result based on the above approved rate.

Interest & Dividends Tax has been increased to \$4,742; Savings Bank Tax increased to \$1,258; and Meals & Rooms Tax increased to \$9,545.00.

The School Tax has been approved at \$478,966.68 in accordance with our notification to the School Board, a copy of which is enclosed. With Overlay set in the amount of \$8,506.07 the above approved rate results. We also enclose a copy of the third page of the Statement of Appropriations for your files.

Very truly yours,

STATE TAX COMMISSION  
Lawton B. Chandler  
Commissioner

## NARCOTICS

This Criminal report excludes anything about NARCOTICS purposely, so as not to hamper any investigative efforts. This is, however, a very definite threat to this community, and especially to those younger sons and daughters growing up. **ALL** parents must be alert and report any suspicious odors, actions, abrupt changes of friends, type of dress, etc. Do no assume that you have found Aspirin—it may be LSD. NARCOTICS are **NOT** just used after dark—they have been used after school just as often.—.

## ANNUAL REPORT OF HEALTH OFFICER

## TOWN OF CHARLESTOWN

1969

The number of infractions incurred this year were relatively few in number in comparison to previous years. There were some minor infractions of the health laws which dealt with in the appropriate manner, but nothing of a serious nature occurred in the past year.

The water supplies of Charlestown and North Charlestown were

checked with regularity and all reports were returned in good order. Once each year the source itself is checked and a complete sample report is submitted by the State Health Department to your health officer. This has always been satisfactory with no trace of contamination involved.

The swimming pool was checked by sample each week of operation this summer and with the cooperation of Gordon Adams and Ernest Kinson Jr. of the Recreation Department, was drained, scrubbed and cleaned when deemed necessary. Because of a plentiful supply of water and some chlorination this year the pool was in operation for the full season. It is hoped that a more complete system of chlorination will be accomplished this coming summer so that any bacterial problems will be completely alleviated.

The annual rodent extermination program at the town dump was conducted in August of this year with very good results and a tremendous reduction in rodent population.

I wish to thank the Town Officers, who constitute the Board of Health, the Water Department and the citizens of Charlestown for their cooperation in the past year.

Respectfully Submitted

DAVID T. HENRY  
Health Officer

### LIBRARY TRUSTEE'S REPORT

The Trustees of the Silsby Library are not asking for an addition to the Library this year; as State and Federal building aids have been withdrawn, and without such aid the cost would be too high at this time. Therefore, we are trying to renovate the basement and to install steel book shelves, enabling us to move some of the books downstairs. This is not an ideal situation, having to go down stairs, and there will be no supervision down there, but it will make storage space. A dehumidifier has been purchased and this will prevent mildew and dampness in basement. We expect a small raise in operation expense, due to maintainance. Without State and Federal funds the cost of book purchasing and cataloging will be higher this year.

We are grateful to clubs, organizations and friends for donations which they have given. With the gift from the Women's Club and a friend, we were able to purchase a new door, with no cost to the town.

ISABEL T. PALMER,  
Chairman of Trustees

Number of books owned January 1, 1970 16,847

The Summer Reading program sponsored by the Friends of the Library and the Story Hour program was well attended. The Garden Club had the second tree wired for Christmas lights and kept floral arrangements in the library each month of the year. The B.P.W. Club planted a shrub on the library lawn. The Charlestown Women's Club donated \$75.00 toward the new door to be added in 1970. Plans are under way to make use of the basement.

The circulation, showing a slight increase, still shows a trend of greater circulation in non-fiction at the childrens level. Interests are high in science, nature, biography and history.

Gifts of books were received throughout the year and have been appreciated by many readers.

The interest shown in the library by teachers and pupils of the primary grades is greatly appreciated by the librarian and trustees.

#### **HIGHWAY DEPARTMENT REPORT**

My year began July 7, 1969, with the evaluation of all roads and repairs needed. The first few days on the job, was getting the equipment serviced and repaired for use, we have continued this practice throughout the year.

We used 38,400 gallons of oil on streets and roads. Streets cov-

ered are the Intersection and Charlestown square, Landing Rd., Taylor Hill, South Charlestown off 12A, Briggs Hill, Willard Ave., East St., Olcott Lane, Arbor Way, Coolidge St., part of West St., Acworth Rd., and Hemlock Rd.

We used 183 tons of cold patch on streets and roads that needed it the most, also including the shoulders.

We oiled a few driveways this year at the owners expense.

43½ tons of Hot Top was used in widening and making ditches, after having cleaned out the ditches on Paris Ave. Also a little was used on Arbor Way to rid street of water.

We installed 204 feet pipe on the following streets and roads: Paris Ave., Old Claremont Rd. Just off Acworth Rd., near Smith's residence, Meaney Rd., Meaney Rd., near Langdon line and Bailey Hill. Also cement headers were installed near Smith's.

2,741 yards of fill was hauled for the new Town Garage.

We worked on the Acworth Rd., for TRA — on the old part we covered 5/10 miles and used 1871 yards of gravel and installed farmers mix. We put up 2435 feet fencing on the Hill property. We continued work on the next stretch covering 3/10 mile using 5258 yards of gravel and fill to date. This will be ready next for just shaping up and using the farmers mix.

We cleaned culverts as many as possible, I realize there are still a lot to be cleaned, but winter was on us before we had time to complete them all.

We widened and graveled and cleaned pipes on road in S. Charlestown beginning at Rte. 12 near Palmers continuing on past Yorks. We used 2244 yards of gravel, road is ready for shaping up and surfacing.

Our winter has been a hard one, as far as ice, freezing was concerned. We operated with only 2 trucks this summer, our other arrived a short time before snow. We used 82 tons of salt. We removed snow from Streets when plowing was not necessary. Roads have been sanded along with the sidewalks, when needed.

Respectfully submitted,

FRED D. JOHNSON,  
Road Agent

## SEWER DEPARTMENT REPORT

For the year ending December 31, 1969

The Sewer Dept. made nine new service connections this year.

The Sewer Pond is working better. We refilled all erosion places, and burned off dikes. We cleaned out all sewer basins to help on plug ups. We have the same root problems in the mains as ever. We raised two sewer basins. We unplugged a few house services that were troubled with roots.

## REPORT ON STORM DRAINS & CATCH BASINS

For the year ending December 31, 1969

1 new basin on Cummings Avenue

Raised one basin.

Cleaned out ditch on Sullivan Street and Cummings Avenue.  
Cleaned out all catch basins three times, and troublesome ones after each big storm. Helped the highway department put in culverts.

We had one plugged main and we rodded it out.

## WATER DEPARTMENT REPORT

For The Year Ending December 31, 1969

We put in 14 new services, renewed 8 old ones.

Reservoir was not cleaned this year because the by-pass dam was broken. Water was too high to repair the dam this year.

Repaired a two inch broken water main on Lower Landing Road. Some brush was cut at the town well and the upper reservoir. Brush at both places was burned.

Motor at town well burned out, was taken off and taken to Keene, N. H. and brought back and replaced by the Department.

### REPORT OF THE CHARLESTOWN VISITING NURSE ASSOC.

The Charlestown Visiting Nurse Association continues to give its' services to the four town area with the approval of the Division of Medicare.

Our year began sadly with the death of our nurse, Mrs. Henry

Ferguson. We were most fortunate to employ a competent, enthusiastic replacement, Mrs. Larry Brousseau.

A storage cabinet and adding machine were purchased for the office.

Respectfully submitted,

SOPHIE MERRIAM (A.B.)

President

#### CHARLESTOWN MEDICAL BUILDING ASSOCIATION

Trustees: Charles Dalzell, Chairman; William Colson, Vice Chairman;  
Barbara Freese, Sec.-Treas.

The Charlestown Medical Building continued to be leased by Dr. Jones and Dr. Merriam who operate it under their incorporated name of "The Charlestown Medical Center".

A program of preventive maintenance was started this year by refinishing all the interior doors.

The Charlestown Visiting Nurse Association used its room on a full time basis. The utilities for this room continued to be furnished by the Doctors.

Again through the efforts of our Sec.-Treas. numerous fine works of art have been displayed in the waiting room. Those artists who have exhibited these during 1969 are: Mrs. Albert Peterson, Mrs. Debra Piletz, Mrs. Eleanor Greer, Albert Potter and Mrs. John Kennedy of Charlestown and Mrs. Stephen Martyn and Mrs. Evelyn Morrison of Springfield, Vt., Mrs. Mildred Rathbun of Westminster, Vt. and Mrs. Alfred St. Martin of Newport, N. H. Our sincere thanks to these artists.

**RECREATION COMMITTEE REPORT**

The Recreation Department sponsored a baseball clinic for all boys who were interested. The program was well attended and a lot of fun was had by all. There are over one hundred boys involved in Midget League, Little League, and Babe Ruth League. Most of the expense of the leagues was taken care of by donations. We would

like to thank the many merchants and anyone else who contributed to the Charlestown Jr. League Baseball. A lot of badly needed equipment was able to be purchased. We would also like to thank the people who donated so much of their time to the boys.

The town swimming pool was opened shortly after school was closed, and kept open until school started in the fall. Mary Marino and Bill Keating, both from Bellows Falls, were the lifeguards. The pool was drained often, due to many showers washing the mud down from above. Much chlorine was used, due to the humidity. Attendance was fair at the beginning of the season — very high at the end. There is need for some way of chlorinating the pool, other than by hand each day.

The Swan Common continues to be one of the best investments, for the youth of the community, we have made in many years. Basketball and tennis are enjoyed from early spring to late fall, by the young people as well as many of our adult citizens. In the early fall, with the help of the Fire Dept., we transform the hard surface play area into a divided skating rink. One side is for hockey playing; the other side reserved for general skating. We would like to take this opportunity to thank the firemen, Rollo Smith, Normand D. Beaudry (who volunteered to plow the snow again this year) plus all other people who gave of their time to help maintain this area.

## THE RECREATION COMMITTEE

### REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

Less fortunate than our northern towns, we had too many fires. Carelessness in burning trash and discarding smoking material and children playing with fire caused most of the fires. Your Forest Fire Warden's job would be easier if everyone understood the State laws that govern the kindling of outdoor fires. A synopsis of these laws follow:

#### Fire Permit

A fire permit is needed for outdoor fires in or near woodland anytime the ground is not covered with snow. This includes household waste burning, even if in an incinerator, grass burning, garden trash as well as brush burning. Such burning is restricted by regulation to be prior to 9:00 a. m. and after 5:00 p. m.

#### Exceptions

Commercial or industrial burning is allowed anytime under normal conditions with permission of the District Chief and a permit from the Fire Warden.

Camp or cooking fires are allowed on your own property with permission of the Fire Warden. On another's property with written

permission of the landowner and permission of the Fire Warden. The Warden can forbid such fires if in a hazardous area. Permits for cooking fires in the White Mountain National Forest can be obtained from the Laconia Office or at the Ranger Stations. Permits are not required in public camp or picnic grounds where fireplaces have been built for this purpose.

#### Penalties

1. For kindling a fire without a permit. Maximum of \$200.00 fine; or imprisonment for not more than 60 days.
2. For kindling a fire by any means wilfully or recklessly that shall endanger woodlands the maximum fine is \$500.00 or one year's imprisonment.
3. For failure to totally extinguish a camp or cooking fire before leaving it the same penalties as in (1) above.
4. For dropping inflammable material in or near woodland, maximum fine is \$25.00.

Fire prevention is a personal matter and a good habit. Keep our town free from smokes in 1970.

#### HIGHWAY ADVISORY COMMITTEE REPORT

The Committee this year prepared specifications for the two trucks (Dump and Pick-up) purchased this year. The Committee also reviewed the plans for the new town garage and made several suggestions. Two meetings (January 16th and February 4th) have been held this year to review the Highway Department budget requests for this year.

In behalf of the Selectmen, I wish to thank this committee for the hours they contributed to our community and congratulate them on a job well done.

## PLANNING BOARD

The work of prime and utmost importance to the Planning Board this year, has been the development of a new zoning ordinance for the town. Many hours of study and work have gone into the development of this ordinance, upon which you will be voting at town meeting. Regular meetings have been held twice a month, many special meetings have been held, and members have spent many hours outside of meetings in attempting to develop a clear, concise workable ordinance. Our goal has been to develop an ordinance by which the entire town would be zoned, with the more restrictive zones kept at a minimum. With this, areas may be changed to another zone by an amendment passed by the voters at a future town meeting.

We have held three public hearings of the proposed zoning ordinance, although only two are required by law. The purpose of the hearings are to get suggestions from the voters as to what they desire, and to explain the proposed ordinance. The public hearings are the only opportunity for discussion of the ordinance, as it is required by law that is beplaced on the ballot to be voted upon.

In view of the problems which may be rapidly encroaching upon us as a community which does not have adequate zoning, we strongly urge the passage of this ordinance so that there will be an element of control for an orderly growth of our town.

We once again recommend approval of the Town Manager system of government for Charlestown, which was narrowly defeated at town meeting last year. We feel that with the ever increasing growth of the town, and the ever increasing complexities of government, our town can operate efficiently only with full time management.

We have reviewed and made slight changes in the proposed new street construction regulations, in hopes they will be enacted so that there will be standards by which streets must be constructed before they can be accepted by the town.

Other work of the Board has been the approval of several building construction requests within our current limited zoned areas; resolving a problem to the fact that we do not have the authority to approve or disapprove subdivisions; and discussion of the need for a Master Plan, and for the need of subdivision regulations.

RALPH STODDARD, Chairman  
Charlestown Planning Board

## ZONING ORDINANCE TOWN OF CHARLESTOWN NEW HAMPSHIRE

Pursuant to the authority conferred by Chapter 31, Section 60-89, New Hampshire Revised Statutes Annotated 1955, as amended, and for the purpose of promoting the health, safety, and welfare of the inhabitants, the following ordinance is presented to the voters of the Town of Charlestown, New Hampshire for adoption. It shall, upon its adoption, supersede any previous zoning ordinance within the town.

For the purpose of this ordinance, the Town of Charlestown is divided into the following zones as shown on the zoning map filed with the Town Clerk and dated February 23, 1970.

With municipal water only, lot size shall be a minimum of 25,000 square feet with 150 feet minimum frontage. If both municipal water and sewerage are not available, lot size shall be a minimum of 40,000 square feet with 150 minimum frontage.
2. First floor area of buildings shall not exceed 25% of the lot area.

3. Placement of buildings from property line shall be a minimum of 25 feet from front property line and 12 feet from other property boundaries.
4. Multi-family dwellings must conform to requirements of Residential 2 except that there shall be no maximum number of families per dwelling, and that there shall be a minimum living area of 300 square feet for each unit in excess of four units.

B. Mobile Home Parks (two or more mobile homes on any piece of land) must comply with the state regulations and all the regulations in this ordinance pertaining to mobile home parks.

1. Mobile home parks must be a minimum size of 40,000 square feet.
2. A lot with a minimum of 5,000 square feet shall be provided for each mobile home within a park. There shall be at least 15 feet clearance beyond any structure to the boundary of the lot.
3. Expansion of existing mobile home parks as of the effective date of this ordinance must conform to all regulations included in this ordinance.
4. Proposed mobile home park plans must be submitted to the Planning Board for approval. Approval will be granted provided the proposed mobile home park conforms to this ordinance.

Application must contain the following information:

- (a) Interested party — The name and address of the applicant, and the name of the real party in interest if other than the applicant.
- (b) Plat Plan — plat plan showing the site of the mobile home park; roads; locations; size, shape, and identification of mobile home spaces; location of sanitation provisions; and the name of the abutting property owners. Three copies of the plan must accompany the application. Said plan shall be filed with the Town Clerk and shall not be accepted for recording until and unless signed "Approved by the the Planning Board."

C. Camping Areas — Restricted to rural zone only.

1. Camping areas must comply with all state regulations.
2. Proposed camping area plans must be submitted to the Planning Board. Approval shall be required for all camping areas.

D. Junk yards shall be allowed in the rural zone provided they adhere to state regulations.

## **GENERAL PROVISIONS**

### **A. Existing Conditions:**

1. A lot of record at the time of passage of this ordinance which does not conform to the area and frontage requirements of the zone in which it is located may be occupied by any use permitted in that zone. A lot of record is defined as land designated as a separate and distinct parcel in a legally recorded deed; or a plat plan filed prior to January 1, 1970 in the records of Sullivan County, New Hampshire.
2. Any lawful use of any building or premise in existence at the time this ordinance becomes effective may continue its use, even though it may be non-conforming.
3. If any non-conforming use of any buildings or premise is discontinued for one year and one day, any subsequent use shall conform to this ordinance.
4. Nothing in this ordinance shall require any change in the plans, construction, or designated use of a building for which the construction shall have been commenced prior to the adoption of this ordinance.

### **B. Separability:**

1. Each and every provision of this ordinance shall be deemed a separate, distinct, and independent provision, and the invalidity of any provision or section thereof shall not affect the validity of the remaining sections or provisions of this ordinance.

### **C. Administration and Enforcement:**

1. This ordinance shall become effective immediately upon the affirmative vote of the majority of the voters present and voting.
2. It shall be the duty of the Planning Board to administer and enforce the provisions of this ordinance and the Planning Board is hereby given the power and authority to carry out this purpose as shown in Chapter 36:11, NHRSA, 1955.
3. The Planning Board shall be consulted before any building or structure shall be erected or placed on any land, and before alteration which would change the character of a building or structure, to see if such conforms to the provisions of this ordinance. Approvals and disapprovals shall be given in writing by the board. This ruling is intended to eliminate misinterpretation of the terms of this ordinance, and to insure

against the possibility of prospective buildings starting projects without first making sure that such projects conform to this ordinance.

4. Any use shall be allowed in any zone which is allowed in a preceeding zone of this ordinance.
5. The Planning Board shall not approve any proposed building or structure, or use of land, that will be inconsistent with the neighborhood and community, and unless the building or structure is to be finished in a permanent manner. This is intended to prevent uses, and buildings and structures which would have a detrimental effect on the property values and neighborhood character.
6. Before approval for any dwelling to be placed in an area not serviced by the municipal sewage and/or water system, seepage tests shall be made in accordance with procedures recommended by the N. H. Water Supply and Pollution Control Commission. Results of these tests and sewage disposal plan shall be submitted with the request for approval.
7. Requests for approval of any proposed building or structure shall be accompanied by a sketch or drawing of the proposal; showing relationship of the building or structure to property lines and a general description of the building or structure.
8. Upon written notice of an alleged violation, the Planning Board shall investigate and take appropriate action.
9. Any person, firm, or corporation who violates any provision of this ordinance, shall upon conviction, be punished by a fine of not more than \$50 (fifty dollars) for each offense, and each day's failure to comply with the provisions thereof shall constitute a separate violation.

#### **D. Zoning Board of Adjustment**

1. Within 30 (thirty) days of the passage of this ordinance, the Selectmen shall appoint a Board of Adjustment as shown in Chapter 31:67, NHRSA, 1955.
2. The powers of the Board of Adjustment shall be those shown in Chapter 31:72, NHRSA, 1955.

#### **E. Variances**

1. The Board of Adjustment may, in appropriate cases make special exceptions to the provisions of this ordinance in harmony with its general purpose and intent, and in accordance with general or specific rules therein contained (taken from Chapter 31:66, NHRSA, 1955.)

2. Appeals for variances to this ordinance may be taken by any person aggrieved. Such appeal shall be taken within a reasonable time, as provided by the rules of the Board of Adjustment. (taken from Chapter 31:69, NHRSA 1955).
3. The Board of Adjustment shall fix a reasonable time for the hearing of the appeal, give public notice there of, as well as notice to the parties in interest, and decide the same within a reasonable time. Upon the hearing any party may appear in person or by agent or attorney. (Chapter 31:71, NHRSA, 1955).
4. The Board of Adjustment may authorize upon appeal in specific cases such variances from the provisions of this ordinance as will not be contrary to the public interest, where, owing to special conditions, a literal enforcement of the provisions of this ordinance will result in unnecessary hardship, and so that the spirit of this ordinance shall be observed and substantial justice done. The board may also decide appeals where it is alleged there is error in any order, requirement, decision or determination made by the Planning Board in the enforcement of this ordinance. (taken from Section I and III Chapter 31:72, NHRSA, 1955)

**F.—Amendments:**

1. Any amendment to this ordinance as proposed by the Planning Board or Selectmen shall be submitted to the voters of the town as shown in Chapter 31:63a, NHRSA, 1955.
2. Upon the petition of twenty-five voters for an amendment to a zoning ordinance, the Planning Board shall proceed and submit the amendment or amendments to the town as prescribed in Chapter 31:63a, NHRSA, 1955. An amendment proposed by petition shall be submitted to the voters **only** at an annual town meeting. (taken from Chapter 31:63b (NHRSA, 1955.)

**G. Definitions: For the purpose of this ordinance the following definitions shall apply:**

1. Accessory building — any building separate from the main building on any lot; the use of which is incidental or subordinate to the use of the main building (as a detached garage to a house).
2. Dwelling — a building in which people live.
3. Lot — a parcel of land having fixed boundaries.
